

Aptis

All about Aptis: webinars for candidates

Webinars for candidates

Who is it for?

- Individuals who need to take Aptis as a proof of their level of English to meet a certain requirement by an institution that recognises Aptis locally.
- Individuals who need to take Aptis as part of the organisation they are studying at or working for.
- Agents and test users (organisations) who wish to understand more about Aptis or to pass on the information to their students, test takers or teachers.

What is the aim?

- To help test takers by explaining the Aptis test format, task types and provide tips and strategies on how to perform better at the test.

How will it be organised?

- Organised by type of test – General and Advanced and level-specific (B2 and C1)
- Each webinar covers two out of four skills
- Duration – 45 – 50 minutes
- Led and moderated by Global Assessments
